HEART  
OF THE HOME TOUR

You might expect a **ballroom** in a grand, beautifully updated *Italianate villa*, but this one has an unexpected history. Be sure to take in the remarkable powder room too.

Wonder Woman reigns in a meticulously restored 1936 *English Tudor Revival* with **Landmark status**, respectfully upgraded modern conveniences, and surprising art.

A foundation-to-rooftop renovation opened up a *Prairie Style family home* to **three-bridge views** while gorgeous metallic wall finishes add an edge to the entertainment spaces downstairs.

A whole cottage for mah jongg? Well, almost. Throughout this **impeccably decorated** *Miller-Warneke Tudor mansion* you'll spot remarkable finds from the globe-trotting homeowners' collection.

A sensuous play of finishes and materials characterizes an expansive *Contemporary home* dedicated to **indoor-outdoor** living. We'll leave it to you to find both parts of the elephant.

And for **VIP** ticket holders, a

**sixth home,**

a seamlessly expanded, *historic 1898 Victorian* with an all-new kitchen and décor that offers delights at every turn.

## Join the VIP Festivities!

The tour begins for VIP guests with a **gala Thursday evening Kickoff Party** at a magnificent Tudor-style estate. **Friday morning breakfast** is in the garden of a beautiful Victorian home where our VIP speaker *Nicolas Bernadi*, Vice President of Food for Munchery, will talk about the growing business of high-quality food delivery and current food trends. Formerly of La Boulange and Starbucks, as well as French frozen food giant Frial, Mr. Bernadi draws on a wealth of experience. VIP guests will be free to tour the historic house before they go on to the five additional houses on the rest of the tour.
