CHILDREN'S SUPPORT LEAGUE  
of the East Bay

## Support Your Community

Children's Support League of the East Bay is an all-volunteer organization dedicated to raising money for agencies that serve at-risk children in Alameda and Contra Costa Counties. Since 1986, combined with individual, foundation, and corporate donations, the proceeds from the Tour have enabled CSL to award over \$3.5 million in grants to programs that support at-risk children, including \$145,000 to 17 agencies in 2016.

For a complete list of our 2016 grant recipients, please see our website, [ChildrensSupportLeague.org](http://ChildrensSupportLeague.org). Representatives from some of the agencies that have received grants will be on hand to talk about the programs CSL has helped fund.

*All proceeds benefit at-risk East Bay children.*
