

## Piedmont Beautification Foundation thanks the community for Holiday Greeting Fund donations

The Piedmont Beautification Foundation thanks the many people and organizations who have contributed to its 2017 Holiday Greeting Fund. Donations to this annual effort allow PBF to work in partnership with the City of Piedmont to provide amenities that increase safety, create opportunities for continued environmental education, and enhance the beauty of Piedmont's many public spaces.

All money donated goes directly to projects important to residents of Piedmont and its greater area.

Brooke Hauch (left) and Melanie Wallace will be co-chairs of the 30th annual Children's Support League House Tour in April next year.

## Children's Support League begins 30<sup>th</sup> year

Children's Support League has launched a fundraising campaign in celebration of its 30th annual Heart of the Home Tour in April 2018.

"We plan to make this the best tour ever," said CSL Tour Co-Chair Brooke Hauch. "It's going to be a lot of fun."

Since 1986, CSL has granted more than \$3.6 million to more than 100 local agencies that help at-risk kids in Alameda and Contra Costa counties.

"Our goal is to raise \$300,000 for our 30th anniversary, added Suzan Kramer of the CSL Fundraising Committee. "Need has gone up like never before for at-risk children, and public funding is more uncertain than ever. It is a privilege to ask this supportive and receptive community to help us meet our goal."

CSL has already received over \$35,000 in matching pledges from individuals. In the coming months, the group will be contacting individuals

as well as local business and foundations to ask for donations.

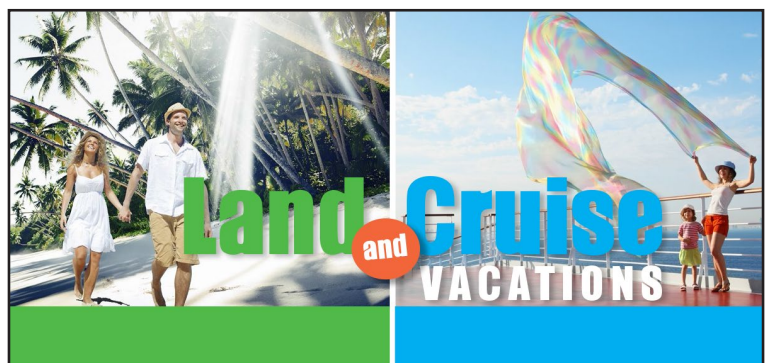

CSL is an all-volunteer organization with no paid staff. All members pay dues to cover administrative costs.

"We work very hard to keep our expenses to 3% of the money we raise," said CSL President Stacy Matson.

"Our donors can be confident that their dollars will go directly to help at-risk kids in our community."

CSL has some very special activities planned for the 30th anniversary tour and is hoping that with wide support from the community the 2018 Heart of the Home Tour will be a huge success. The kick-off will be on Wednesday, April 25 and the Tour on Friday and Saturday, April 27 and 28, 2018.
